Drama Club

Tutor : Miss Wong Chun-yu

Aims:

Drama Club aims at promoting drama as a form of art and boosting students' English proficiency through drama activities.

Activities:

Drama appreciation activities, both inside and outside the school, are arranged throughout each academic year in order to raise students' interest in drama and their abilities to understand dramas of different styles. At times, workshops on different drama and theatre techniques, namely stage management, lighting control etc., are organized in order to support the smooth-running of various drama activities in LKKC.

We also encourage potential students to join different inter-school English drama competitions, such as the Hong Kong Schools Speech Festival, in order to broaden their horizons and boost their confidence in using English. Experienced competition participants are invited to join the Drama Team. Moreover, under the Drama Mentor Programme, elite Drama Team members are appointed as Drama Mentors, who are responsible for coaching junior form students in their preparations for various inter-class and inter-school drama competitions. Some Senior Drama Mentors would even be responsible for holding various drama activities in LKKC, for example, the Form 1 Inter-class Drama Competition in the English Festival and the Annual S5 Drama Show.

Since 2010, Drama Club and Drama Team have put on stage 4 drama productions, namely, "Dream", "Remember When", "The Voice Within" and "The Climb". The whole production crew found the experiences fun and rewarding. After all, drama is all about collaborative efforts and irreplaceable memories!

"Don't move! He is my psychiatric patient!"
(F.1 Inter-class Drama Competition 2013)

The Drama Appreciation activity in the Wellcome Theatre of Bethanie Campus of Hong Kong Academy of Performing Arts

We had our fun time with our Drama Mentors!

"I don't know what you mean to do, but you are killing our village!"
(S5 Drama Show 2013 "The Climb")
